

# That's How I Like It

Lynyrd Skynyrd

Let me tell ya...

Where I come from it's grits and gravy not champagne and caviar  
Got pickup trucks, ain't no mercedes, that's who we are (Ooooooh.. Yeah I wou  
ldn't change a thing)  
I ain't no saint sometimes a sinner and I can't tell you why  
But I get up every mornin' and thank the man above (Ooooooh WOOOoo my life is  
good)

Let me tell ya how good... hahaaa

Like my women hot and my beer ice cold  
A real fast car and my whiskey old  
Like a slow drive down and old dirt road  
That's How I like it  
I like to turn my music way up loud  
Ain't nothin' better than the sound of a crowd  
American flag it makes me proud  
That's how I like it

Wooooo...aaah... Listen now...

Ain't no cell phone towers, you won't catch me online  
Workin' with my hands for hours, is how I spend my time  
And I don't stand in line for coffee, It ain't my cup of tea  
Out here in the country we got everything we need Ooooh Woooo yeah..

Like my women hot and my beer ice cold  
A real fast car and my whiskey old  
Like a slow drive down and old dirt road  
That's How I like it  
I like to turn my music way up loud  
Ain't nothin' better than the sound of a crowd  
American flag it makes me proud  
That's how I like it yeah..

Oooooohhhh...

WOOooooo That's how I like it

[Whistle]

Like my women hot and my beer ice cold  
A real fast car and my whiskey old  
Like a slow drive down and old dirt road  
That's How I like it  
I like to turn my music way up loud  
Ain't nothin' better than a Skynyrd crowd  
American flag it makes me proud  
That's how I like it yeah...  
That's how I like it  
That's how I like it
