

## Fly Pirate

M.I.A.

Flip all that  
I don't need the clicks on the chicks  
That sell me the bullshit  
Like this is where the cool's at  
Hit things that brings me to link the  
People on the brink cos that's where my heart's at

Kick all that habit it like a hobbit keeps me down to the ground  
And just drop that...

Fly fly pirate...

Fly pirate coming to you direct  
Drop pin on the map  
Navigate like a pilot  
See the sky  
See the birds  
See the sky  
See the birds

Fly fly pirate...

Every step  
Every blow  
Every door  
Every floor

Fly fly pirate...

See the sea  
Do the boat  
Do the jump  
Jump rope

Fly fly pirate...

Every step  
Every blow  
Every door  
Every floor

Fly fly pirate...
