

Jimmy, Jimmy  
Come back Jimmy

When you go Rwanda Congo  
Take me on ya genocide tour  
Take me on a truck to Darfur  
Take me where you would go

Got static on ya satellite phone  
Got to get you safe at home  
Got to get you some where warm  
So you get me all alone

Time and time and time and time again  
You keep pushing that button but I don't know what your sayin  
You hit me on AIM tryin' flip me on some game  
Are you coming are you going are you leaving are you staying

You told me that your busy  
Your loving makes me crazy  
I know that you hear me  
Start acting like you want me

You told me that your busy  
Your loving makes me crazy  
I know you can hear me  
Start acting like you want me

Your loving makes me crazy  
I know that you hear me  
Start acting like you want me

Your loving makes me crazy
