I bongo with My Lingo
Beat it like a wing yo
From Congo to Colombo
Can't stereotype my thing yo

I salt and pepper my Mango Shoot Spit Out the window Bingo I got him in the thing yo

Quit bending all my Fingo
Quit beating me like you're a ringo
You wanna go?
You wanna win a war?
Like p.L.O I don't surrender

Sunshowers that fall on my troubles
Are over you, My baby
And Some Showers I'll be aiming at you
Cause I'm watching you, My baby

I bongo with My Lingo
Beat it like a wing yo
From Congo to Colombo
Can't stereotype my thing yo

I checked that mouth on him Fucking Checked that gas on him I had him, Cornered him Fucking Shut that gate on him

Why would you listen to him?
He had his way I'm bored of him
I'm tired of him
I don't wanna be as bad as him

It's a bomb yo
So run yo
Put away your stupid gun yo
Cause see through like a protocol call
Which is why we blow it up 'for we go

Sunshowers that fall on my troubles Are over you, My baby And Some Showers I'll be aiming at you Cause I'm watching you, My baby [x2]

Semi-9 and snipered him On that wall they posted him They cornered him And then just murdered him

He Told them he didn't know them
He wasn't there, they didn't know him
They showed him a picture then;
"Ain't that you with the Muslims?"

He got Colgate on his teeth

And Reebok classics on his feet At a factory he does Nike And then he helps the family

Beat heart Beat He's made it to the newsweek Sweetheart Seen it He's doing it for the Peeps... Peace

Sunshowers that fall on my troubles
Are over you, My baby
And Some Showers I'll be aiming at you
Cause I'm watching you, My baby [x3]
