Go low, go slow
Roll like a polo
Up and down a pole
Like you're glowing up a yo-yo

Go low, go slow
Roll like a polo
Up and down a pole
Like you're glowing up a yo-yo

Yea, yea, YOLO
Yea, yea, YOLO
Alarms go off when I enter the building

I drink some Cointreau
Keep it in my poncho
Light up like Castro
Blow it up from get go
Pro when I set, go
Grow like an afro
Play like Ronaldo
Hard like I'm Death Row
Weight in kilo
Light as a pillow
Dance on my tip toe
Like I thai box tho

Yeah we come come come
Yeah we come with some some
Get a glass of rum
With a gun and some pun pun
Oh fun fun fun
Let's get 'em undone
Take a hit on the bong
It's been so long since we hung

Go low, go slow
Roll like a polo
Up and down a pole
Like you're glowing up a yo-yo

Go low, go slow
Roll like a polo
Up and down a pole
Like you're glowing up a yo-yo

Banking off shore
Take a trip to Singapore

For the hour poor
Don't want to ignore
That's why I say shit
So they can explore
My baby, I amore
My mommy I adore
I tried to stay pure
Can't take it anymore

Yeah we come come come
Yeah we come with some some
Get a glass of rum
With a gun and some pun pun
Oh fun fun fun
Let's get 'em undone
Take a hit on the bong
It's been so long since we hung

Go low, go slow
Roll like a polo
Up and down a pole
Like you're glowing up a yo-yo

Yea, yea, YALA

Alarms go off when I enter the building

What that even mean tho
If you only live once why we keep doing the same shit?
Back home where I come from we keep being born again and again and then again
n and again
That's why they invented Karma
