

## Let Me Out

M.O.D.

Aren't you sick of the way you're living  
Let down in life without being forgiven  
Struggle for a future  
You try to survive  
Put on this world to rot and die

Let me out

Let me out me out  
Me out of this world  
Tell me how I got here  
Why don't you say a word

Let me out me out  
Me out of this world  
Tell me how I got here  
Why don't you say a word
