M.O.P.

The hood won't stop
Nigger you ain't official
So I suggest to get low
Legendary MOP
We merge from death ..
To spit like any other nigger ..
This is my spit music
.. I still manage to shine
Still standing on the line
Keep my mind on the money
And my money in my mind
.. I ain't even got to remind me shit
Back at it
Back at it
I am gonna let you all know
The money never change the .. change you
.. stay truth . shame on you
Niggers lost respect .. ghetto minds wanna know
