

## Fishing Boat Song

M. Ward

From Springfield, Mass to Concord Town  
I saw those lights go down  
In a gorge in Kansas, I met my Jesus  
He laid me down and he said

If I build you a fishing boat  
Would you leave everyone you know?  
If I build you a fishing boat  
Would you leave everyone you know?

Would you be more likely to kill more time with me?  
And then a sudden gale began to wail  
It set my heart like no other love  
Like no other love

From Springfield, Mass to Concord Town  
I saw my lights go down
