

## Flaming Heart

M. Ward

Well, I'm trying hard to pass the time  
But I just got more time to kill  
You know the flaming heart can't get his fill  
But the flaming heart will try and try as he will

And the flaming eyes I had are gone  
They went out with the thrill  
You know the flaming heart can't get his fill  
But the flaming heart will try and try as he will

Ooh, I got a flaming heart  
Ooh, I got a flaming heart  
I gotta roll like a tire  
I've got a love that's mighty like a rose

And the flaming stars I had are gone  
They burned out over the hill  
You know the flaming heart can't get his fill  
But the flaming heart will try and try as he will

Ooh, I got a flaming heart  
Ooh, I got a flaming heart  
I gotta roll like a tire  
I've got a love that's mighty like a rose
