

## Here Comes The Sun Again

M. Ward

Kingdoms and queens they all bow down to you  
Ranches and ranch hands are bowing too  
And I'm takin off my straw hat for you, singin'  
Here comes the sun again

And the leaves on the trees they all call out your name,  
Chrome on the freight line shines the same,  
And the stars in their cars roll their tops down for you, singi  
n'  
Here comes the sun again

Oh but if you're gonna stay,  
Show some mercy today  
Blow that breeze on my face

Snow banks and drifts down the hillside for you  
Slides inside sandy river before the day is through  
And before evenin falls I may find myself there too, singin'  
Here comes the sun again,  
Here comes the sun again...
