

Poison Cup

M. Ward

Wine, wine, wine
Wine or two won't do
Cos I want it all

And a sip, a sip
A sip or a spoonful won't do
No, I want it all

And I hope, I hope
Hope you know what I'm thinking of
I want all of your love
I need all of your love

She said:
"If love, If love is a posion cup
Then drink it up

Cos a sip, a sip
Or a spoonful won't do
Won't do nothing for you
Except mess you up

And I hope, I hope
Hope you know what this means
I forgive you everything
I forgive you everything"
