## Sad, Sad Song

Oh I went to the Doctor, I said Doctor please, what do you do when your true love leaves? He said the hardest thing in the world to do, is to find somebody believes in you.

Make a sad, make a sad, make a sad sad song Make a sad, make a sad, make a sad song...

And so I went to the whippoorwill, I said whippoorwill please, what do you do when your true love leaves? He said I only have but one trick up my sleeve, I sing it over and over 'til she comes back to me.

I make a sad, make a sad, make a sad sad sad song I make a sad, make a sad, make a sad sad song...

And so I went to the whale, I said killer whale please, what do you do when your true love leaves? He said I only have but one trick up my sleeve, I sing it over and over 'til she comes back to me.

I make a sad, make a sad, make a sad sad song I make a sad, make a sad, make a sad song...

Oh I went to my mama, I said mama please, what do you do when your true love leaves? She said the hardest thing in the world to do, is to find somebody believes in you. M. Ward
