

## Who May Be Lazy

M. Ward

And what makes me happy  
And who makes me high  
Sure won't be around  
On that night

And who may be lazy  
And he who has lied  
He who was last  
Shall be first in the line

So take me out dancing  
And sing me to sleep  
This could be the last night  
That we'll ever dream

And who may be lazy  
And he who has lied  
He who was last  
Shall be first in the line

Hmmm
