

# Everything

M2M

It's been nine days, eight hours  
Forty minutes, ten seconds  
Since you called  
I've been so crazy  
I've just about  
Taken our picture  
Off the wall  
It's been three months  
Over hundred days  
Since you held my hand  
And I miss you in  
A thousand ways  
Will I ever see you again?

How did it change so fast?  
(I won't give you  
To the past)  
I really thought it'd last

All that we had was  
So unbelievable  
Now that it's gone  
It's just inconceivable  
Still in my dreams  
You were so damn beautiful  
How could it be  
That you ruined my  
Everything  
Everything  
Everything?

Everything  
Everything  
Everything

It seems like  
Everywhere everyone's in love  
So, where are you?  
And I remember  
You couldn't get enough  
Said you felt it too  
So didn't you

Everything, everything, everything  
Everything, everything, everything

Ooh, hooh  
You're really my everything  
Everything, everything  
Everything, everything, everything

Everything, everything, everything  
Everything, everything, everything  
Everything, everything, everything  
Everything, everything, everything

It's been nine days, eight hours

Forty minutes, ten seconds  
Three months, a hundred days  
And I miss you in  
A thousand ways
