

## Girl In Your Dreams

M2M

I was walking down the street one day  
Then I saw you I didn't know what to say  
You're eyes were shining  
You're smile was so kind  
When I saw you I wanted you to be mine

Maybe I don't have the blonde hair you like  
Or maybe I don't have eyes like the sky  
And I'm not sure if I'm the girl in your dreams  
But I can show you what love means

One day you came and talked to me  
And you said we are meant to be  
I was happy, everything was so nice  
But then I found out that everything was a lie

Maybe I don't have the blonde hair you like  
Or maybe I don't have eyes like the sky  
And I'm not sure if I'm the girl in your dreams  
But I can show you what love means

How could you do this to me  
You said we are meant to be  
You showed me how to cry  
When you told me everything was a lie

Maybe I don't have the blonde hair you like  
Or maybe I don't have eyes like the sky  
And I'm not sure if I'm the girl in your dreams  
But I can show you what love means
