Girl In Your Dreams

I was walking down the street one day Then I saw you I didn't know what to say You're eyes were shining You're smile was so kind When I saw you I wanted you to be mine

Maybe I don't have the blonde hair you like Or maybe I don't have eyes like the sky And I'm not sure if I'm the girl in your dreams But I can show you what love means

One day you came and talked to me And you said we are meant to be I was happy, everything was so nice But then I found out that everything was a lie

Maybe I don't have the blonde hair you like Or maybe I don't have eyes like the sky And I'm not sure if I'm the girl in your dreams But I can show you what love means

How could you do this to me You said we are meant to be You showed me how to cry When you told me everything was a lie

Maybe I don't have the blonde hair you like Or maybe I don't have eyes like the sky And I'm not sure if I'm the girl in your dreams But I can show you what love means
