

# Is You

M2M

Sometimes when I think about it  
I never really thought about it before  
And most times when I think about it  
It only leaves me wanting something more

Could it be I am mistaken  
Could it be I am mislead  
Maybe I am in need of something else

All I see  
Is You, Kissing me so softly  
Is You, Feeling so lovely  
Holding my hand, kiss me again.  
Is You, Looking out on me  
Is You, Touching me so gently  
All I see is you  
And all I see is you

Well, what was not suppose to happen  
Sure happen to you and me today  
Well I promise myself not to feel  
I feel anyway

Should I say I think you're not  
Tell you that I love your eyes  
I like you when you're hanging around me

All I see  
Is You, Kissing me so softly  
Is You, Feeling so lovely  
Holding my hand, kiss me again.  
Is You, Looking out on me  
Is You, Touching me so gently  
All I see is you  
And all I see is you

I'm so in love with you (I'm so in love with you)  
And I know we're the two  
And I think that its you (all I see, all I see)

All I see  
Is You, Kissing me so softly  
Is You, Feeling so lovely  
Holding my hand, kiss me again.  
Is You, Looking out on me  
Is You, Touching me so gently  
All I see is you  
And all I see is you

Is You, Kissing me so softly  
Is You, Feeling so lovely  
Holding my hand, kiss me again.  
Is You, Looking out on me  
Is You, Touching me so gently  
All I see is you  
And all I see is you

I'm so in love with you  
And I know we're the two  
And I think that its you  
All I see, all I see
