

## Love Left For Me

M2M

You just said the worst thing you could ever say  
Well, I don't understand why it just can't be this way  
I'm crying because of you

I hate, yes I hate all your lies  
I'm so scared  
And I fear what I see in your eyes  
But I hope, and I dream, and I wish, and I pray  
That you have some love left for me  
Do you have some love left for me?

You just did the worst thing you could ever do to me  
Well, I don't understand why and I cannot see  
That it's hurting because of you

I hate, yes I hate all your lies  
I'm so scared  
And I fear what I see in your eyes  
But I hope, and I dream, and I wish, and I pray  
That you have some love left for me  
Do you have some love left for me?

Do you have some love left for me?  
Do you have some love left for me?

I hate, yes I hate all your lies  
I'm so scared  
And I fear what I see in your eyes  
(you don't feel anything)  
But I hope, and I dream, and I wish, and I pray  
That you have some love left for me  
Do you have some love left for me?
