Not To Me (3:08)

Written by

You sent me up to heaven  
I was safe and loved there  
Then you pushed me down the ladder  
Now you just left me here

But I'm strong, can't get hurt  
This must be wrong, won't sink down in the dirt

What's with me  
This is not happening  
Not to me  
Not reality  
Not to me  
Not to me
