## The Day You Went Away

Well I wonder could it be When I was dreaming 'bout you baby You were dreaming of me Call me crazy, call me blind To still be suffering is stupid after all of this time

Did I lose my love to someone better And does she love you like I do I do, you know I really really do

Well hey So much I need to say Been lonely since the day The day you went away So sad but true For me there's only you Been crying since the day The day you went away

I remember date and time September twenty second Sunday twenty five after nine In the doorway with your case No longer shouting at each other There were tears on our faces

And we were letting go of something special Something we'll never have again I know, I guess I really really know

The day you went away The day you went away

Why do we never know what we've got 'til it's gone How could I carry on The day you went away Cause I've been missing you so much I have to say Been crying since the day The day you went away

The day you went away The day you went away
