

I am sorry, gentlemen.
But it will be best for you to stay here tonight.
Come now my good man, you can't fight them.
You've been over your before.

Here are souls are protected...

Dear Doctor, for one who is not afraid of the dark.
You have been pushing your horse pretty fast.

Well, you know what? Once they get started there is no stopping
them.

Hungry for one of your...
Yes. The vampires are hungry to forget.
