

Since I was young, I knew I'd find you  
But our love was a song sung by a dying swan  
And in the night, you hear me calling,  
You hear me calling  
And in your dreams you see me falling, falling

Breathe in the light  
I'll stay here in the shadow  
Waiting for a sign, as the tide grows  
Higher, and higher, and higher

And when the nights are long  
All those stars recall your goodbye, your goodbye

And in the night you'll hear me calling,  
You'll hear me calling  
And in your dreams you'll see us falling, falling  
And in now you'll hear me calling,  
You'll hear me calling  
And in your dreams you'll see us falling, falling

Breathe in the light and say goodbye  
Breathe in the light and say goodbye.
