## **One Shot**

So Imma make one stop for you, for you And you only got one shot, don't ignore, yeah 'Cause I'm so choosy, choosy, yeah, yeah Mans say I'm too bougie, bougie, yeah, yeah So Imma give you one shot, go ahead, pour it

You know that I feel you Say you wanna get familiar But I got tunnel vision, tunnel vision I like what I see but that don't mean I want it I need something, real, yeah

Flashing your wrist on your rollie, rollie Like your time is precious Talking to me, say you show me, show me Boy, you better

So Imma make one stop for you, for you And you only got one shot, don't ignore, yeah 'Cause I'm so choosy, choosy, yeah, yeah Mans say I'm too bougie, bougie, yeah, yeah So Imma give you one shot, go ahead, pour it

And you only got one shot Gotta give me all you got So Imma make a little time for you But baby only got one shot, one shot

I wanna get to know you It's so hard to ignore you And no I never make bad decisions, bad decisions I don't need your hands to catch the rhythm No, no, no, no But you got something for sure, yeah

Holding your chain like it's holy, holy I'm a blessing, blessing Still talking to me, say you show me, show me Boy, you better

So Imma make one stop for you, for you And you only got one shot, don't ignore, yeah 'Cause I'm so choosy, choosy, yeah, yeah Mans say I'm too bougie, bougie, yeah, yeah So Imma give you one shot, go ahead, pour it

And you only got one shot Gotta give me all you got So Imma make a little time for you But baby only got one shot, one shot Give me all you got

So Imma make one stop for you, for you Boy you only got one shot, don't ignore, yeah 'Cause I'm so choosy, choosy, yeah, yeah Mans say I'm too bougie, bougie, yeah, yeah So Imma give you one shot, go ahead, pour it Sponzor: www.srovnavac.cz-šetříme na pojištění!
