# Trouble

**Mabel**

Make me feel good, you make me feel good
You make me do things that I never would
No question how you feelin' 'cause it's understood
Really want it, really want it, really want your body on it
Show you things that nobody's ever shown
Take a little hit 'cause it's edible
But I could change your life for the better though
Think about it, think about it, think about how good you got it

So hold me close
Does my fire blow out smoke?

Yeah, I came looking for trouble
Yeah, I came looking for you 'cause I can't get you out my head
I know it's dead, I should've stayed at home
Yeah, I came looking for trouble
And I get everything I need, do as I please
Living dangerously, living dangerously

I came looking for trouble
Trouble
Trouble
Yeah, I came looking for trouble

I don't want the bad feelings that I had before
Take me to a place to forget it, oh
Show me all your love like a waterfall
Washing over, washing over, washing all over my body

I'm ecstatical
I'm so out of control
So hold me close
Does my fire blow out smoke?

Yeah, I came looking for trouble
Yeah, I came looking for you 'cause I can't get you out my head
I know it's dead, I should've stayed at home
Yeah, I came looking for trouble
And I get everything I need, do as I please
Living dangerously, living dangerously

I came looking for trouble
Trouble
Trouble
Yeah, I came looking for trouble

Send out your love and know I can't walk away from you now, now
And when you got me up, you make me forget I was ever down
You never let me down
Now we're doing nothing wrong
I know you're no good for me, but it feels good
So baby, don't let go
I know I shouldn't but

Yeah, I came looking for trouble
Yeah, I came looking for you 'cause I can't get you out my head
I know it's dead, I should've stayed at home (You know I want ya)

Yeah, I came looking for trouble
And I get everything I need, do as I please
Living dangerously, living dangerously

I came looking for trouble (Yeah, yeah, yeah)
Trouble
Looking for trouble (Yeah, yeah, yeah)
Looking for trouble (Yeah, yeah, yeah)
Trouble
Yeah, I came looking for trouble

Yeah, I came looking for trouble
And I get everything I need, do as I please
Living dangerously, living dangerously

I came looking for trouble (Yeah, yeah, yeah)
Trouble
