Bum bum Ballon..x2

I see you tonight
You bring me to life
and groove mad
let the music's calling me
Hi baby set me free
I feelin' tonight
I'm lovin my life
Romantic, crazy, beautiful and true
So lonely
I need you

Bum Bum...

So give me sometimes
I'm loosin' my mind
can groove mad
let the music's calling me
Hi baby set me free

I'm dreamin' to find
This love of mine
eternal , sexy beautiful and true
So lonely
I need you

Bum Bum...
