

# Everybody Loves A Love Song

Mac Davis

Na na na, na na na  
Na na na na na na na na na na na na

Sometimes it makes me dizzy  
Just like cherry wine  
Sometimes it makes me tremble  
Just to hold your body next to mine  
Baby, it's a love song that I'm singin'  
Girl, there's nothin' else I'd rather do

'Cause everybody loves a love song  
And baby, I love you. You know I do

Na na na, na na na  
Na na na na na na na na na na na na

Baby, brush your lips against me  
And whisper soft and low  
Honey, tell me that you want me  
Lord it moves me girl  
I think you know  
Baby, it's a love song that I'm singin'  
Girl there's nothin' else I'd rather do  
'Cause everybody love a love song  
And baby, I love you.  
You know I do.

Na na na, na na na  
Na na na na na na na na na na na na
