

## Blue Boy

Mac DeMarco

Blue boy, worried about the world's eyes  
Worried every time the sun shines  
Worried about his haircut  
Calm down, sweetheart, grow up

Blue boy (4x)

Blue boy, older than the world knows  
Honey, that's the way that life goes  
No use acting so tough  
Come down, sweetheart, grow up

Blue boy (4x)
