

## Dreaming

Mac DeMarco

Someday I'll find her and I'm still reminded, maybe she's best  
in dreams she's still the best I've seen.

Dreamin... Dreamin... dreamin... Baby, I'm dreamin...

Out on her window cell, baby remember, maybe I'm out of luck ma  
ybe it's running still.

Dreamin... Dreamin... Dreamin... Baby, I'm dreamin...
