

# Freaking Out The Neighborhood

Mac DeMarco

Sorry, mama, there are times I get carried away  
Please, don't worry, next time I'm home, I'll still be the same

And I know it's no fun when your first son  
Gets up to no good, starts freaking out the neighborhood

Really, I'm fine, never been better, got no job on the line  
Sincerely, don't worry, same old boy that you hoped you would find

And I know it's no fun when your first son  
Gets up to no good, starts freaking out the neighborhood
