

# Let Her Go

Mac DeMarco

Tell her that you love her  
If you really love her  
But if your heart just ain't sure  
Let her know

Growing by the hour  
Love just like a flower  
But when the flower dies  
You've got to say goodbye  
And let her go

Let her go  
Let her go

Tell her that you'll be there  
If you'll really be there  
Separation's supposed to  
Make the heart grow fond  
But it don't

So tell her that you love her  
If you really love her  
But if your heart just ain't sure  
Let her go

Let her go (4x)  
Yeah!

(spoken)  
Or you can keep her  
It's okay  
It's up to you  
Make your own choice  
Whatever you gotta do  
God bless
