

# Be About Yo Doe

Mac Dre

Ya  
Wut sup cuttie  
Pass me that radio raheem  
So I can do my thing  
Yeah mac drizzle

I'm the kind of nigga that'll come through and yoke on you  
Burnin rubber in the shitnell, with the 4-0-2  
Dippin, dashin, smashin  
Through the traffic  
Smokin, chokin, hopin,  
I rap it  
'Cause my candy's look wet, three coats of clear  
Miami's on deck with three quartes of beer  
Clownin all the freaks but he still gets jocked  
Bouncin in the seat while the 15's knock  
I'm dipped in butter everybody jocks my style  
Cal hat pulled down to my eyebrow  
Polo geared down  
I'm in her ear now  
Stealin it, she's feelin it, it's all clear now  
One more hoe, on my team  
I'm a pimp homeboy, what do you mean  
It's all about scrilla in the land of thugs and killers  
Gangstas, pimps, players, and drug dealers

If you, wanna fuck with me  
Be about yo doe, I gots to have doe

A big fish, I'm hungary, need a big bitch

Chips, chedda, scrilla, real niggaz, killaz, and drug dealers

24 hours, 7 days a week  
I do my thug thang, playin in them streets  
But the game I play really ain't no joke  
Come around my way and you might get smoked  
Bullet proof vest's, Chevy SS's  
Come through in a bucket  
The next day in a Lexus  
It's a ghetto life  
I don't have no wife  
Boy I'm married to the game and I handle my

Business, I'm in this for the money not the honey  
Square bitches spooked, they all run from me  
Dummy, bitch, if you knew better, you do better  
I'm a stay on bitch back like new sweaters  
Mac Dre baby  
Quit talkin crazy  
When you get about some money  
It's all gravy  
Ask my last bitch square, that's all realla  
I only fuck with pimps, killaz and drug dealers
