

Chevs And Fords

Mac Dre

Cause I'm the Chevy man
The Chevy man?
Yes, I'm the Chevy man
I'm a Ford man
Mob in my old school because I can
I'm a Ford man
Turnin' figure eights with a blunt in my hand

My partner got a ElCo, my homie got a 'Maro
He Mexicano, might rock a sombrero
My cuzzo got a Mali' sittin on Rally's
He candy green, might've seen him in the Valley
My uncle got a Imp', he a pimp
96 in the flow when he hide behind a tint
My auntie got a 'Vette so tight she might wreck
My cuddy got a candy Nova, he hella wet
My granny got a 'Burban, not an Excursion
Gramps got a Silverado, Stepside version
My nigga Nate got a Z-28
And if the rollers get behind him, boy, he finna shake
My folks got a glasshouse and when he mash out
I crack the heem and pull the grass and the hash out
Catch Dre in a trey, revvin it
Please believe it, I'm always Chev'in it

I hit the California coast in a California Mustang
Shelby drop-top so hot on them gold thangs
I get the thumbs up, I like that old school Ford
I got the 64 Falcon, all original, restored
Sports coupe Sprint, not a ding or a dent
390 V8, you didn't know they made them
With my XR-7 70 work convertible
429 Cobra Jet unservable
I'm a Ford man, never bored, man, I got collection
Smash on a Chevy, then I smoke the intersection
Give us a parking lot and let the sideshow commence
Young niggas lose on the impounds and dents
High speeds, I knows all about em
Old school veteran, Lil Bruce straight clownin
I slap my shit on low and let the rollers feel my pan
They know they can't see me cause I be the Ford man

This is high speed chase play, I'm first on race day
I'm at the stoplight with my cutthroat Mac Dre
I'm at the light on slicks pushin on the throttle
SS 400 small block Monte Carlo
69 Falcon lights squarer than my first hoe
427 with the fo' on the flo'
Yeah, you lookin hella clean and kinda mobby
But my gears snatch quick with this 12 bolt posie.
Yeah, I like your Caddy but I'm a blow your do's
I got the 750 double pump Holly on flows
Cam, lifters, B&M shifter
Nitrous oxide make the Chevrolet swifter
Trick flowin hearse with the nitrous burst
Make the sports coupe fly and the Chevy boys cry
I got ported aluminum heads, I'm hella fast

Your Ford's in my rearview, I'm seein checker flags
