Preppy Pimp Crestside Riders
Broke 150's And Top Siders
Whoops Upside Her Head If She Comes Short
Bread I'm A Gunfolk Yea I'm A Cut Throat
Backwood Burner
Mach And Murder
I Pack The Squirter When I Blap The Squirter
Whose Gon Fall Like Tall Timber
Killin Off The Whole Gang All Members
Come In Hurr Never Magnum
She Better Have Them Or I'm Never Stackin
Whatever Happened To The Girl From The South
Suck A Dick So Good They Called Her Pussy Mouth
Pussy's Foul But They Heads A Plus
If I Put Her In Heels And A Little Make Up
And Hit Vvegas Will She Make Us
