Mac Lethal

Land mines wheel chairs toilet snakes  
I'm rolling downhill on broken brakes  
Hit it like a squirrel when I fuck rapping  
Where a Fallopian tube as a necklace fuck platinum  
And fuck having nice cars suck my dick  
I wanna grow up to get my bike fixed  
Ahhh they put a probe in my urethra  
The free clinic test hurts worse than the disease does  
My mouth is mechanical  
I'm a flesh eating serial killing stuffed animal  
Mac Let lactose  
Hit'em with a missile launcher cocked like Orgazmo  
Dark divine type of charcoal mind  
I like chicks who shave their pussy's in a heart design  
Kansas Citys crazy I'll be walking up the street  
And get my arm chewed off by octopus with teeth  
I'm in my laboratory building a disease  
My wife has a tail and out children grow on trees  
Poke my brain until my fingers purple  
Pull a wrecking ball chain off a crane and swing it in a circle  
Put your tongue where the mic gets plugged  
I got antennas and a slimy body like a slug  
I'm not even old enough to get into the club  
So I'm with this rolling chick sniffing Vick's vapor rub

Mr. Mac Lethal what chu want to do today  
Proolly pass out drunk in the street  
Mr. Blockhizzle what'chu want to do today

Fuck Kry's we pop bottles of Windex  
My name is Mac Lethal king of the midwest  
And that's Blockhead you know about him  
Yeah ha he's, he's the champion  
Ahh, Mr. Blockhead supplies me the ammunition  
And I lick the beats pussy and give it an orgasm  
My pen is filled with Lava lamp liquid  
I'm sicker than those punk rock Gothic damn bitches  
Sitting up at Perkin's with black nail polish  
Like "Got a dollar, man?" With their fishnet stalkings  
Lips bless intoxicated cocky humans  
Grab an empty cup and fill it up with body fluids  
It takes on Catholic school girl to please the whole crew  
She'll be riding home in the trunk when I'm through  
Psycho bitches, yeah they love to prick the cock  
Like putting Hellraisers skull in the fucking scissor lock  
I never even make it to the club  
I'm wasted by eight standing in the tub  
With pajamas on I pull the hairdryer off the cabinet  
And plug it into the electrical safety button outlet  
I salivate your moms stench  
On the dance floor playing hockey with a urinal mint

Mr. Mac Lethal what chu want to do today  
Proolly pass out drunk in the street  
Mr. Blockhizzle what'chu want to do today
