Mac Miller

Ay yo, the flyest motherfucker in the room Yeah, you know it's me Bitches hating on him, cause he started out here locally Hopefully, I'll be at the top soon For now I'm at my house, on the couch, watching cartoons You know how much you love it when you get it in abundance Give a fuck about a budget when you always be the subject of discussion But it's nothing when you stop and just say fuck it Cause you walking out in public and you hear 'em talkin' rubbish I just wanna ride, ride through the city in a Cutlass Find a big butt bitch, somewhere get my nuts kissed That's the way it goes when you party just like I do Bitches on my dick that used to brush me off in high school Take over the world when I'm on my Donald Trump shit Look at all this money, ain't that some shit? Take over the world when I'm on my Donald Trump shit Look at all this money, ain't that some shit?

We gonna take over the World while these haters gettin' mad That's why all my bitches bad, they see this crazy life I have and they in a we We gon' win, you can take the lose or draw What I'm in, got these hoes that used to play me in their bras We gonna take over the World while these haters gettin' mad Take over the World, watch these haters get mad That's why all my bitches bad, they see this crazy life I have Hop into the car then we take 'em to the pad It's a wrap

And motherfuckers think they know me but they never met the kids Style come with excellence and money make benevolence Irrelevant for the fuckers who never been intelligent I kill my Henny, break the bottle for the hell of it Tell a bitch, that she better bring her friend And if she want an autograph she better bring a pen Yeah the party never ends, this life is what I recommend And if you got a hoe before me, then she better be a 10 I ain't picky but these girls be acting tricky When the situation's sticky and the liquor got 'em silly But I take over the World when I'm on my Donald Trump shit Look at all this money, ain't that some shit?

We gonna take over the World while these haters gettin' mad That's why all my bitches bad, they see this crazy life I have and they in a we We gon win, you can take the lose or draw What I'm in, got these hoes that used to play me in their bras We gonna take over the World while these haters gettin' mad Take over the World, watch these haters get mad That's why all my bitches bad, they see this crazy life I have Hop into the car then we take 'em to the pad It's a wrap
