

Roses Are Red

Mac

I'll do anything to prove to you I care for you

Even if I have to catch a falling star.
'Cause to me you are the flower of my heart.

Girl
I love you for being you
And the special way you always touch my heart
Girl
I'll be there if ever you call

I'll be your adrenalin all and all!

Roses are red
violets are blue
baby

Well
if there's anything I'm certain of
it's love you!

You're the only one that's ever been this good to me

That is why I always want you in my life.
And when I think about the things that you have done for me

It explains why you're the apple of my eye.

Girl
I trust you and all you do

And I'm so thankful that you've opened up your heart.
And I'll be there if ever you call

I'll be your adrenalin all and all!

Roses are red
violets are blue
baby
