

Into the Toilet with You

Macabre

You'll Just Have To Stay For As Long As I Say
If You Try To Leave
I Will Make You Pay
Beside Me You'll Lay
You're Drugged Anyway
I'll Keep You Like That
And Things Will Be Ok

In An Acid Filled Drum I Put You
After Two Weeks Its' Sludge
You'll Turn To
Then I'll Take My Plastic Scoop
And It's Into The Toilet With You
