

Is It Soup Yet?

Macabre

Welcome to Charley Gein's Spon Ranch East
Daniel's cooking supper, his girlfriend is the feast

Is it soup yet? Made from a head
I think Daniel's cooking the dead
Is it soup yet? Made from the dead
Daniel Rakowitz boiled his girlfriends head

Daniel's girlfriend broke up with him
So he went and got a soup pot to boil her head in

Is it soup yet? Made from a head
And with that soup the transients were fed
Is it soup yet? Made from the dead
Daniel Rakowitz boiled his girlfriend's head
(And it tasted pretty damn good!)
