

Love Is The Only Way

Macaco

One, dos
One dos tres
Love love love
Is the only way
Is the only way
Cause for the world you are someone
But for someone you're the world
Love love love
Is the only way

Para unos el amor es despertar
Una vacuna sin comerciar
Un baile de dos que va a compas
Si la suma es buena da 3 o mas
Otros con el amor calculan intereñs
Y si lo rompen calculan otra vez
Oye, dime
En que lado quieres estar

Love love love
Is the only way
Is the only way
Cause for the world you are someone
But for someone you're the world

Para unos el amor es caminar
Es un espejo donde mirar
Una protesta del corazyn
Si no lo escuchas es respondon
Otros con el amor juegan a amarrar
Y entre los dedos se les suele escapar
Oye, dime
En que lado quieres estar

Love love love
Is the only way
Is the only way
Cause for the world you are someone
But for someone you're the world

Viene, va when love is coming
Dreaming of some loving to love
Viene, va, va when love is coming
Dreaming of some loving to love
Viene va, viene va when love is coming
Dreaming of some loving to love
One love
One love

Love love love
Is the only way
Is the only way
Cause for the world you are someone
But for someone you're the world
Love love love
Is the only way
Is the only way

Cause for the world you are someone
But for someone you're the world
