

## (the World) In My Mind

Macbeth

The world tries to put me down  
Everything I do for you is wrong  
I can't believe life's so complex  
I can never get too much of a wonderful thing

The world has a funny way of a sneaking up on me  
Help me forget

You promised me everything  
I'm looking for the real life  
You are always in my mind  
I'll need you till I die  
You promised me through thick and thin  
I'm waiting better days  
You'll always in my mind  
Because I'm dying

You have lived so many lives  
Please, give me what I'm asking for  
Sometimes life is so unkind  
But for me and for you a new day is calling

The world has a funny way of a sneaking up on me  
Help me forget

You promised me everything  
I'm looking for the real life  
You are always in my mind  
I'll need you till I die  
You promised me through thick and thin  
I'm waiting better days  
You'll always in my mind  
Because I'm dying

You'll always in my mind  
Big bad love / I need a love with an attitude  
Will you keep on lovin' me?  
You'll always in my mind  
We have better things to do
