

# Dancing In The Dark

Amy Macdonald

I get up in the evening, and I ain't got nothing to say  
I come home in the morning, I go to bed feeling the same way  
I ain't nothing but tired, man I'm just tired and bored with my  
self

Hey there baby, I could use just a little help

You can't start a fire, you can't start a fire without a spark  
This gun's for hire even if we're just dancing in the dark

Message keeps getting clearer, radios on and I'm moving round t  
he place

I check my look in the mirror I wanna change my clothes my hair  
my face

Man I ain't getting nowhere just sitting in a dump like this  
There's something happening somewhere baby I just know that the  
re is

You can't start a fire, you can't start a fire without a spark  
This gun's for hire even if we're just dancing in the dark

You sit around getting older there's a joke here somewhere and  
it's on me

I'll shake this world off my shoulders come baby this laughs on  
me

Stay on the streets of this town and they'll be carving you up  
alright

They say you got to stay hungry hey baby I'm just about starvin  
g tonight

I'm dying for some action I'm sick of sitting round here trying  
to write

This book

I need a love reaction hey baby give me just one look

You can't start a fire, you can't start a fire without a spark  
This gun's for hire even if we're just dancing in the dark  
even if we're just dancing in the dark  
even if we're just dancing in the dark
