Give It All Up

Amy Macdonald

I believe in everything I see
I believe you do the best for me
It's not a lot, it's all I've got

I believe that the day will come
When you'll see that you're the only one
And the rain will fall from the sky
Guess it's goodbye

Is there anyone you can call
Have you got nobody left at all
Your back's against the wall
Is there no place else you'd rather be
Did you give it all up just for me
I'm sorry if you got me wrong
I'll forgive you
In a song

I wish that I could soar in the sky
I wish that I could fly fly fly
Say goodbye to my mother and bye to my dad
You're all I had

Is there anyone you can call
Have you got nobody left at all
Your back's against the wall
Is there no place else you'd rather be
Did you give it all up just for me

Is there no place else you'd rather be
Did you give it all up just for me
