

Slow It Down

Amy Macdonald

I never knew you before,
I've been walking around with my eyes on the floor
And know you're everywhere to me
You're every face that I see, things ain't moving quick enough for me

I guess I've been
Running 'round town
and leaving my tracks,
Burning out rubber
driving too fast
But I've gotta slow it right down

Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down...
Slow it down.
(Down down down)
(down down down down...)

Wishing, wanting for something more
Always better than I had before
Who knew these dreams would come true

And I run the red, won't stop at night
I don't care for traffic lights
Things ain't moving quick enough for me

I guess I've been...

Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down
Slow it down.
(Down down down)
(down down down down...)

I guess I've been...

Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down...

I guess I've been...

Back to the moment the very start,
from the very first day you had my heart
but I, I got to slow right down...
Slow it down.
(Down down down)
(down down down down...)
