

Spark

Amy Macdonald

Don't wanna see the stars
Don't wanna see the moon
Don't wanna see the sun
That rises up too soon

Don't wanna see the day
Don't wanna see the night
Oh the afternoon it feels.. about lie.

I' am a spaceman flying high
I' am the astronaut in the sky
Don't worry, I'm ok now
I' am the light in the dark
I' am the march
I' am the spark
Don't worry I'm ok now

After the sun always comes the rain,
Followed by hurt and pain.
After the light comes the dark,
After the love comes the breaking of my heart

I'am a spaceman flying high... (2x)

Just dry your tears and I'll be there,
Don't leave for anger all this pain
Don't worry, I'm ok, I'm ok now.
