

# Your Time Will Come

Amy Macdonald

Oh, the wind is gently blowing as the light begins to fade.  
I'm sick and tired of playing it off, sick of this parade.  
And your eyes are gently weeping as the sun begins to shine.  
The end is coming far too soon, I wish I had more time.

So soon your time will come. Let it out while you're still young.  
May all your dreams come true for someone like you.  
So soon your time will come. Let it out while you're still young.  
May all your dreams come true, so happy for you.

And my eyes are getting tired as the day begins to break.  
I left it oh so far behind, my biggest mistake.  
And your sign is unlike mine, it disappears from time to time  
And I believe in you and everything you'll ever do.

So soon your time will come. Let it out while you're still young... (2x)
