

The sequence has begun, it's too late  
The machine comes alive, it's awake  
What'll happen if I don't?  
What if I can't or I won't go?  
And what awaits me beyond,  
(what) awaits me beyond

All my angels are gone, I'm alone  
What is left for me here? I don't know  
What'll happen if I don't?  
What if I can't or I won't go?  
I see no other way out of this  
I see no other way

Gather all who remain here  
This will be an epic display  
Touch the fire's embrace  
and die

I've no fear,  
I have no remorse  
I will do this for you,  
and because  
I wanna see how it ends  
I wanna know what awaits  
beyond these walls

I have lost so much  
I don't know what else there is  
When is it enough?  
I can't quit, I won't give up  
This is not my end  
I know that for certain now  
This is something else  
A new day; a different self
