

Stand aside, you can't collide
With a million years of pride
And not fucking die
Conviction
With the power of hatred
I will crash the heaven
And rape the sacred

Tension, pay no attention
Unbridled rage is the final dimension
Take back what was taken
Burn the world
For all crimes forsaken

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone

Yeah, straight from the top of my dome
As I rock, rock, rock the microphone

We are beyond the time of correction
A rebuild now could only
Follow destruction
The system cannot be reformed
The structure will never
Transform by itself

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone

Yeah, straight from the top of my dome
As I rock, rock, rock, rock the microphone
