

Butter My Arse With A Pigeon

Machine Gun Fellatio

As the monster truck speeds up to pass
I find myself alone with you at last
Now there's a little something
That I forgot to ask
If you got the pigeon
I got the ass

Butter my ass with a pigeon
Butter my ass real good
Butter my ass with a pigeon
Like you know you should

Butter my ass with a pigeon
Butter my ass right now
Butter my ass with a pigeon
Tomorrow tomorrow tomorrow
We'll butter a cow
