

Gun To You Head

Machine Gun Fellatio

Hold the gun to you head
Hold the gun to you head
Hold the gun to you head
Hold the gun to you head

Hold the gun to you head
...and pull the trigger

Put your hands out
Put your hands out, OUT
Put your hands out, OUT
Way out 'bout shoulder high like they gonna crucify you baby
Like they gonna crucify you baby

Put your hands out
Put your hands out, OUT
Put your hands out, OUT
Way out 'bout shoulder high like they gonna crucify you baby
Like they gonna crucify you baby

Put your hands out
Put your hands out, OUT
