

## Gun To You Head

### Machine Gun Fellatio

Hold the gun to you head  
Hold the gun to you head  
Hold the gun to you head  
Hold the gun to you head

Hold the gun to you head  
...and pull the trigger

Put your hands out  
Put your hands out, OUT  
Put your hands out, OUT  
Way out 'bout shoulder high like they gonna crucify you baby  
Like they gonna crucify you baby

Put your hands out  
Put your hands out, OUT  
Put your hands out, OUT  
Way out 'bout shoulder high like they gonna crucify you baby  
Like they gonna crucify you baby

Put your hands out  
Put your hands out, OUT
